[rmatson@teleosagsolutions.com](mailto:rmatson@teleosagsolutions.com)

These meetings are in-person. Training credits will be available online specifically for TELONE™ training, via our online learning platform (more info to come; we have created 7 online modules for approx. 1 hour of credit focused on TELONE™ only). Our online training will NOT cover all of the speakers we have arranged for in-person so we hope you can join us live!
