Not to give Syngenta extra coverage, but once again the steaks from their mobile grilling trailer were perfect in 2025 and we expect nothing less on August 13, 2026. Whatever you can manage (just the reports, steak dinner, or staying later and catching up on old onion stories), reserve August 13 for our event. The varieties of onions you see on August 13 will be brought by the seed companies for display at Expo.

2026 Michigan Onion Committee (MOC) Onion Trials and Dinner Sponsorship

Sponsorship will include a logo on yard sign and tabletop signs, website listing, newsletter listing, and Expo onion display listing. The sponsorship helps pay for the dinner and for the yearly onion trial expenses.

We appreciate the opportunity to partner with you on behalf of the Michigan Onion Industry. Please contact the MOC office if you have any questions on sponsorship. You can email this form and any logo artwork (artwork from the past few years has been retained) to gbird@michiganonion.com by August 4.

To be sent an invoice or pay by credit card, please contact Greg Bird.

Otherwise, mail check to Michigan Onion Committee
